# Hawkers' Productivity Grant (HPG)

## Funding Support for Hawkers and Stallholders by NEA

The Hawkers' Productivity Grant (HPG) by NEA is a funding support to encourage hawkers and stallholders to achieve higher productivity with the use of automation and technology.

## Claimable up to 80% of the equipment cost, capped at S\$5,000

NEA will co-fund the purchase of the suitable automation equipment and eligible stallholders can claim up to 80% of the equipment cost on a reimbursement basis, capped at S\$5,000.

## Application Process

### Application

Apply online at Hawkers Online Portal and quotation is presented to NEA for approval. Upon approval, the applicant to accept Letter of Offer (LOO).

### Transaction

The applicant to make full payment of the equipment from the **HPG Eligible Bundles**, and the system will be delivered and installed.

### Claim

Submit your claim to NEA's Hawker Centres Group with required documents, and receive the grant reimbursement in applicant's bank account.

## Eligibility Criteria

- ✓ Registered Stallholder with a valid hawker license issued by NEA/SFA.
- ✓ Has at least 1 year valid Tenancy Agreement with NEA or NEA-appointed operators.
- ✓ Complies with Terms and Conditions imposed by NEA.

**HPG is scheduled to end in March 2023.**
